

Calling Grandsire Doubles

Called from 5

Presentation by Richard Pargeter

One 60 and three 120s

PBPBPB

60 changes

- a. **PSPBPB PSPBPB**
- b. **PBPSPB PBPSPB**
- c. **PBPBPS PBPBPS**

120 changes

On the 5th:

- 3rds, double 45 up - 3 times for 60; 6 times for 120
- Cross with hunt bell before 3rds - then double 45 up with that bell
- single with: a) 2; b) 3; c) 4.

Two more 120s

PSBS PSBS PSBS

On the 5th:

- Double 45 up with 2
- 3rds, crossing with 2 as it runs in from making bob
- Double 45 up with 2 as it comes out of hunt
- Move on to 3, then 4.
- **BSPS BSPS BSPS**
- Similar sequence - starts part way through working with 4, then 3 & 2, then finish with 4.

When to call

Call as treble is in 3rds place on the way down (Handstroke)

- As you pass treble in 34 for double 45 up
- As you hit the front for unaffected

For more help and information, please see Richard's help sheet:
You too can call a quarter of Grandsire Doubles.
